Hi Loren,

I should have copied you on this email, but forgot. The BCT Meeting is Wednesday, so I thought this was a good time to send it out.

**Subject:** Personnel Change for EPA on Treasure Island

Dear Treasure Island BCT:

EPA is reorganizing and part of the reorganization is a change in the EPA person assigned to Naval Station Treasure Island. Nadia Hollan Burke is replacing me. I've seen lots of progress while assigned to TI and am sure this good work will continue.

Nadia is a very experienced Remedial Project Manager with both Federal Facility and Private Site assignments. She has also been very active in EPA's National Association of Remedial Project Managers.

Please welcome Nadia at the next BCT Meeting on Wednesday.

Thanks and Farewell,

David Stensby
